Reisebeschreibung

We warmly invite you to an unforgettable tango summer holiday on the beautiful Chiemsee, where we

2024-Martin-Jagst

will dance tango together with Martin La Bruna & Andrea Bestvater. With a lot of sympathy and fun in teaching, Martin & Andrea manage to give every participant the right feeling and, above all, joy for tango. On some evenings there is an accompanied internship with Martin & Andrea to deepen what you have learned. Look forward to inspiring tango lessons during the day and atmospheric milongas in the evening with a view of the lake.

Our idyllic property right on the lake has a spacious park and direct access to Lake Chiemsee. Here you can relax wonderfully - whether swimming in the lake, sunbathing on the jetty or on the lawn under the shady trees. In addition to tango, there are numerous options for activities. You can take varied bike tours and leisurely walks along the lake or take a boat to the enchanting islands of Herrenchiemsee and Frauenchiemsee. You can discover the Chiemgau region in a relaxed manner, which offers charming towns such as Rosenheim, the surrounding mountains and the cultural wealth of Salzburg. All of this contributes to the unique summer holiday flair on Lake Chiemsee, which will reward you with unforgettable experiences and wonderful moments.

Aiterbach is the ideal place to take a well-deserved “break” from the stress and hustle and bustle of everyday life. It originally served as the summer residence of a respected Munich family of architects and artists. The property was later carefully renovated and expanded, creating a fascinating mix of tradition and modernity. Our guests are amazed by the unique atmosphere every time they visit.

The heart of the Aiterbach property is the main building in the Munich Art Nouveau style. The cozy rooms invite you to linger. In the main building, breakfast and dinner are offered in buffet form. In addition to a vegetarian selection, this also includes a salad buffet. Drinks are available to us at a self-service counter, both late in the evening and early in the morning. In the afternoon there is a small selection of cakes, as well as coffee, tea and ice cream. From the sun terrace you can enjoy a wonderful view of the lake and the majestic Alpine backdrop. The extensive park with direct access to the lake invites you to relax. A bathing jetty allows easy access via stairs to Lake Chiemsee, where you can swim wonderfully. The new building contains the modern and tastefully furnished superior guest rooms, as well as the light-flooded hall with parquet floors and a terrace with a view of the lake. Our tango events take place here.

Room:

Superior Room: You can choose from rooms in the new building with a direct view of the lake or with a side view of the garden or the boathouse. These are modernly furnished rooms with a double bed and a beautiful bathroom with shower/toilet. There are rooms on the 1st floor or 2nd floor with an elevator.

Standard rooms: These are located in the main building. They are rustically furnished and offer either a view of the park and the lake or of the street. There is no elevator in the main building. Tango

Tango mit Martin und Andrea:

Martin La Bruna und Andrea Bestvater lives in Buenos Aires and have been spending a few months a year in Europe for several years. With a lot of sympathy and joy in teaching, the two succeed in giving each course participant the right feeling for the tango. Their lessons are characterized by humor and the noticeable joy in conveying her very aesthetic tango style. Their attention to each and every couple always makes participants feel like they are the center of their interest. They both know how to teach in such a way that you can have fun and come back with a sense of achievement. Your teaching language is easy to understand in English.

Martin and Andrea have already been on Tango trips with us several times and have excited every time anew, because their teaching is particularly natural and warm.

Even for tango beginners with basic knowledge, they offer well-founded basic work with a very good didactic structure. A total of 10 hours of lessons with Martin and Andrea are planned. In the evening we dance tango in the beautiful rooms of our hotel.

Martin and Andrea teach clearly in English.
