Reisebeschreibung

We warmly invite you to an unforgettable tango summer holiday on the beautiful Chiemsee, where we

2025-Chiemsee-P-M

will dance tango together with Patricia Hilliges & Matteo Panero. With a lot of sympathy and fun in teaching, Patricia & Matteo manage to give every participant the right feeling and, above all, joy for tango. On some evenings there is an accompanied internship with Patricia & Matteo to deepen what you have learned. Look forward to inspiring tango lessons during the day and atmospheric milongas in the evening with a view of the lake.

Our idyllic property right on the lake has a spacious park and direct access to Lake Chiemsee. Here you can relax wonderfully - whether swimming in the lake, sunbathing on the jetty or on the lawn under the shady trees. In addition to tango, there are numerous options for activities. You can take varied bike tours and leisurely walks along the lake or take a boat to the enchanting islands of Herrenchiemsee and Frauenchiemsee. You can discover the Chiemgau region in a relaxed manner, which offers charming towns such as Rosenheim, the surrounding mountains and the cultural wealth of Salzburg. All of this contributes to the unique summer holiday flair on Lake Chiemsee, which will reward you with unforgettable experiences and wonderful moments.

Aiterbach is the ideal place to take a well-deserved “break” from the stress and hustle and bustle of everyday life. It originally served as the summer residence of a respected Munich family of architects and artists. The property was later carefully renovated and expanded, creating a fascinating mix of tradition and modernity. Our guests are amazed by the unique atmosphere every time they visit.

The heart of the Aiterbach property is the main building in the Munich Art Nouveau style. The cozy rooms invite you to linger. In the main building, breakfast and dinner are offered in buffet form. In addition to a vegetarian selection, this also includes a salad buffet. Drinks are available to us at a self-service counter, both late in the evening and early in the morning. In the afternoon there is a small selection of cakes, as well as coffee, tea and ice cream. From the sun terrace you can enjoy a wonderful view of the lake and the majestic Alpine backdrop. The extensive park with direct access to the lake invites you to relax. A bathing jetty allows easy access via stairs to Lake Chiemsee, where you can swim wonderfully. The new building contains the modern and tastefully furnished superior guest rooms, as well as the light-flooded hall with parquet floors and a terrace with a view of the lake. Our tango events take place here.

Tango

Tango mit Patricia & Matteo:

Patricia Hilliges & Matteo Panero are based in Florence and have been teaching together since 1998. They dance an elegant Tango de Salon, which they enrich with innovative elements - imaginative and musically appropriate. They teach didactically experienced with a lot of wit even demanding contents.

In total 10 hours of lessons and practicas are planned with Patricia & Matteo. Patricia and Matteo both speak German and Italian.

The classes and the milongas will take place in the hotel hall with a very good parquet floor. In the evenings we transform the hall into an atmospheric milonga. The hall is 100 square metres in size and can be air-conditioned.
